

**ATHENS COUNTY DOMESTIC RELATIONS COURT**  
**NOTICE REGARDING VISITATION ORDERS**

Regarding parenting time orders. People are calling and filing wanting to use this pandemic as a basis for denying parenting time.

I would like people to be aware that, in the absence of an agreement between the parties or illness in the non-residential parent's home, it is the court's expectation that parenting time orders are honored.

We understand this is a unique situation and these are trying times, but we need parties to talk and work together.
